

Habib University
shaping futures

Sustaining Excellence in Higher Education

Habib University

shaping futures

Habib University – A Defining Institution

Habib University is Pakistan's **first not-for-profit, liberal arts and sciences institution** founded to address the intellectual and access challenges faced by higher education in Pakistan resulting from a **highly vocationalized system** unable to cope with the demands of an evolving world. A system which has **disenfranchised a large majority of students** and failed to transform Pakistan's growing youth potential into substantive human development gains for the population.

Habib University provides an academic experience that is **contextualized, locally grounded and globally engaged**, to create a generation who are **active citizens, constructive thinkers, and are able to engineer indigenous solutions**.

Habib University awards scholarship and financial aid to **almost 90% of its students**. This makes it one of the **most generous private universities** in the world. Habib University's **Talent Outreach Promotion and Support Program (HU TOPS)** provides **100% scholarships** for the four-year undergraduate program to exceptional students from local educational boards and with **limited opportunities** due to their compromised **socio-economic backgrounds**.

"Habib University is a beautiful idea, it has the potential to transform not just Pakistan, but by showing that it can be done in a country which has never had a Liberal Arts University. When you have something like this, it has a huge impact and when Pakistan shows that can be done, there will be many other countries around the world that will be inspired to make it happen."

Dr. Maria Klawe

President,
Harvey Mudd College,
#1 Undergraduate Engineering
College in the USA,
4th speaker at Habib University's
Yohsin Lecture Series

Through partnerships and collaborations with leading world academic centers including **Stanford University, the University of California, Berkeley, University of Michigan and the Claremont Colleges**, the institution is redefining the core philosophy and values of higher education in the country.

As members of the **Pakistani diaspora** in the United States, a country with deep historical awareness towards **intellectual advancement** of society through higher education, you have a **unique insight** on the impact supporting academic institutions creates on development of the society.

Habib University provides the same opportunity for you to **support advancement of youth and a nation that you maintain a strong cultural affinity** with. By joining Habib University community you are contributing to the **long-term sustainability** of the institution and directly **creating opportunities** towards **increasing student accessibility** for a world-class education.

HU's Global Partners and Collaborators

Creating Legacies

The following pages highlight the different giving opportunities through which you can support Habib University. We encourage you to take a few minutes and go through them.

Learning Spaces

Lending your name to a space engraves your legacy into the minds of young Pakistanis in each class, every day.

Student Support

Scholarships are the most noble engagement for philanthropists, forging personal mentorship opportunities to transform lives in the long-term.

Intellectual Capital

In your name, vital spaces available to the entire campus community forge crucial linkages between individuals and across the world.

Intellectual Leadership

Endowing professorships that inspire generations of future leaders is one of the core functions that keeps the University abreast of latest knowledge.

Community Spaces

Your role in holistic learning and growth comes to life in these multi-use spaces across campus.

Collaborative Growth

Under your patronage students and faculty are encouraged to be thoughtful members of the global society in which they are actively involved.

Learning Spaces

With your bequest to learning spaces, you can:

- join a community of benefactors that has already lent their names to 22 endowed classrooms, labs and halls.
- expand the teaching of advanced technologies and creative pursuits in 11 more state-of-the-art laboratories and studios.
- allow interdisciplinary research and entrepreneurship to thrive.
- spur solutions to address the world's complex challenges.

Student Project Laboratory

Final year projects turn from ideas to prototypes in this large space

Endowment value:

USD 1,000,000

Power Laboratory

Where scientists work together to address Pakistan's big energy challenges

Endowment value:

USD 800,000

Digital Systems & Instrumentation Laboratory

Prime space for the engineers-to-be, furnished with the latest equipment

Endowment value:

USD 600,000

Communication Laboratory

Real learning means experimenting, failing, and re-learning in a safe environment

Endowment value:

USD 600,000

Graphics and Visualization Laboratory

Responding to the increasingly important role of visual communications in transmitting data

Endowment value:

USD 600,000

Circuits & Electronics Laboratory

Where students learn the fundamentals of engineering science via hands-on projects

Endowment value:

USD 600,000

Linux and Networking Laboratory

Each Computer Science student has a working space for active and engaged learning

Endowment value:

USD 600,000

Ecology/Biology Laboratory

Hands-on learning and enabling the latest research on our natural environment

Endowment value:

USD 600,000

Physics Laboratory

Understand the fundamentals of science with equipment from the German company LD Didactics

Endowment value:

USD 600,000

Chemistry Laboratory

Where scientists get to play, design new experiments and find solutions

Endowment value:

USD 600,000

Engineering Workshop

A large space with moveable equipment to build, design and engineer

Endowment value:

USD 600,000

Classrooms

These multi-configurational spaces provide flexibility in terms of layout, encourage collaboration and are equipped with the latest technology to cater for a variety of pedagogical needs.

Endowment value:

USD 350,000 (each)

Makers Space

Collaborative work areas which provide students the opportunity to explore different facets of design thinking and bring those ideas to life through prototypes.

Endowment value:
USD 200,000 (each)

Group Study Rooms

On the second floor of the Library, six group study rooms support peer-to-peer learning

Endowment value:
USD 150,000 (each)

Student Support

Your leadership in student support ensures:

- that we address Pakistan's most urgent problem of highly selective access to education, together.
- the admissions policy at Habib University remains needs-blind, based only on merit.
- that Habib University remains the first educational institution to ensure broad access for students from diverse cultural, social, educational, religious and economic backgrounds.
- support for unprecedented scholarship and financial aid options.
- profound steps in access to transformative undergraduate education impacting social harmony.

Yohsin Scholarship

Your contribution to providing students with outstanding performance and a holistic view of their contribution to society the opportunity to attain a world class education

Endowed Yohsin Scholarships:

USD 160,000 (covering 16 years and 4 students)

Yohsin Scholarship:

USD 40,000 (per student)

Female Leadership Scholarships

Support young female students in accessing transformative higher education, creating pathways to cultivating female leadership and helping address Pakistan's gender challenge

Endowed Female Leadership Scholarships:

USD 160,000 (covering 16 years and 4 students)

Female Leadership Scholarship

USD 40,000 (per student)

Partial (50%) Female Leadership Scholarship

USD 20,000 (per student)

Talent Outreach, Promotion and Support (HU TOPS) Scholarships

Encourage diversity by supporting students from socio-economically disadvantaged backgrounds and different examination boards to attain a world class education

Endowed TOPS Scholarships

USD 160,000 (covering 16 years and 4 students)

TOPS Scholarship

USD 40,000 (per student)

Partial (50%) TOPS Scholarship

USD 20,000 (per student)

Diversity Scholarship

Strengthen the national fabric by creating access to higher education for students from all backgrounds

Endowed TOPS Scholarships

USD 160,000 (covering 16 years and 4 students)

TOPS Scholarship

USD 40,000 (per student)

Partial (50%) TOPS Scholarship

USD 20,000 (per student)

Degree-specific Scholarships

Foster technological innovation and social change by supporting exceptional students through Habib University's 6 degree programs

Endowed TOPS Scholarships

USD 160,000 (covering 16 years and 4 students)

TOPS Scholarship

USD 40,000 (per student)

Partial (50%) TOPS Scholarship

USD 20,000 (per student)

Open spaces such as the Earth Courtyard provide avenues for social engagement beyond the classroom.

Intellectual Capital

Under your patronage, these intellectual spaces:

- serve multi-dimensional purposes and encourage thoughtfulness and self-cultivation.
- embody South Asian heritage with central meeting spaces.
- build bridges to global thought leadership and facilitate broad discursive engagement.
- bring to life the University's philosophy of Yohsin with positive impact beyond the campus.

Playground

(Center for Transdisciplinarity, Design & Innovation)

A community space, designed for creative collaborative work that helps transform the teaching and learning experience at Habib University.

Endowment value:

USD 2,000,000

Faculty Research Laboratory

Where knowledge is created by the University's world-class academics

Endowment value:

USD 1,500,000

Information Commons

On the ground floor of the library, this is an innovative space for collaborative and informal interaction

Endowment value:

USD 1,500,000

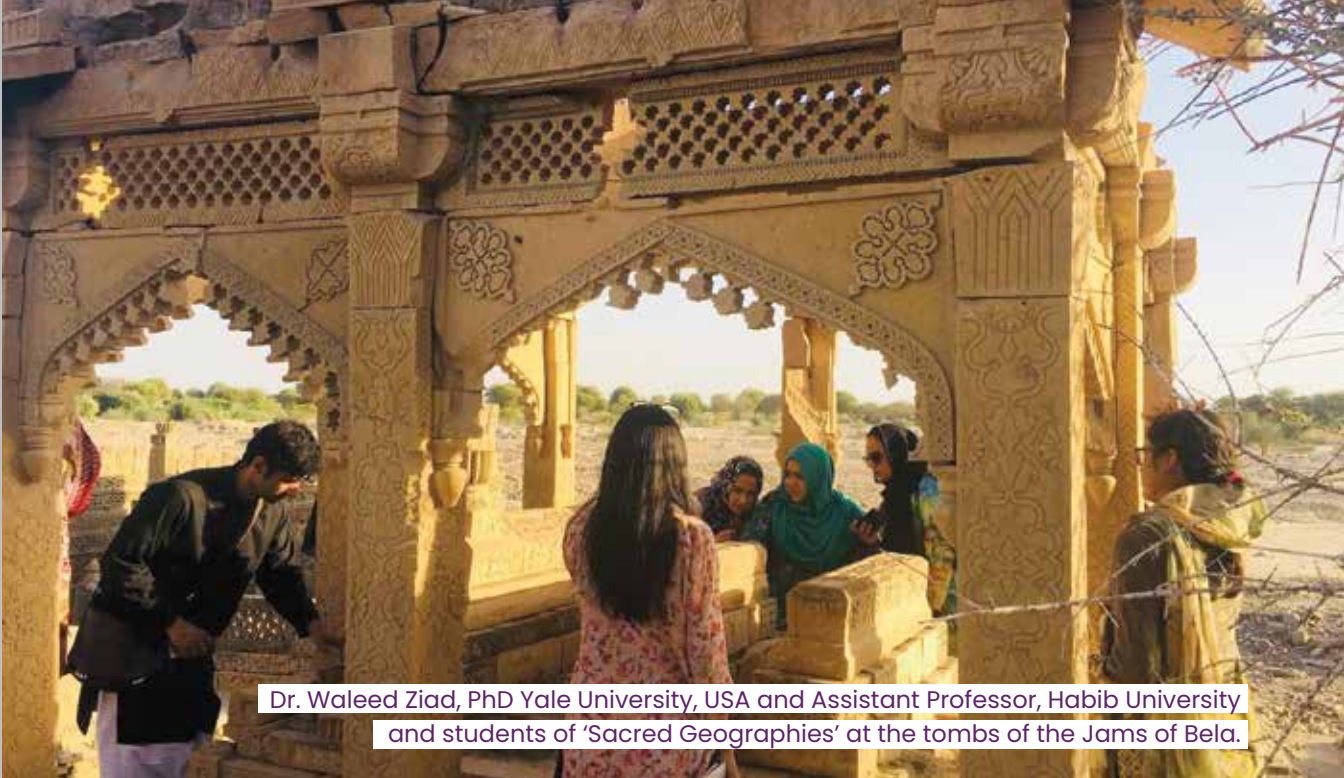

School of Arts, Humanities, & Social Sciences

The School of Arts, Humanities and Social Sciences (AHSS) impacts every Habib University student's educational and developmental journey. The AHSS exposes young minds to multiple fields of knowledge in anthropology, literature, political science, religious studies, public policy and an appreciation for thoughtful reflection.

The School is widely acknowledged for Pakistan's first Liberal Core Curriculum, embedded in the humanities, social and natural sciences, bringing forward a learning model that allows for open conversations, reflective debates aimed at questioning the historical, political, social and economic challenges critical to the existence and advancement of the country.

The faculty of the school is a global community of scholars, with education and experience from leading international institutions. AHSS student body has a higher female foot print, showcasing the growing interest of women in Pakistan in addressing societal challenges through an

Dr. Waleed Ziad, PhD Yale University, USA and Assistant Professor, Habib University and students of 'Sacred Geographies' at the tombs of the Jams of Bela.

understanding of development, policy impacts, advocating for change through contemporary mediums of communication, and enhancing their ability to reflect on local issues through comparative interdisciplinary education.

Your gift towards the School of Arts, Humanities and Social Sciences will lead to the growth of interdisciplinary learning and inspire academic advancement by providing scholarship opportunities for deserving students from diverse social backgrounds, creating opportunities to support faculty innovation in teaching and providing opportunities to attract world class faculty in disciplinary areas crucial to advancing the mission of creating a socially transformative impact.

Endowment value:
USD 20,000,000

Center for Pedagogical Excellence

The hub of Habib University's commitment to innovative methods for engaged teaching

Endowment value:

USD 1,000,000

Educational Help, Services and Academic Support (EHSAS) Center

The Educational Help, Services, and Academic Support Center provides pivotal support for students to polish their academic profile

Endowment value:

USD 600,000

Faculty Pods

Center-oriented office spaces to fertilize cross-disciplinary communications and ideas

Endowment value:

USD 350,000 (each)

The Great Learning Commons (Fourth Floor)

The fourth floor of Habib University campus is being designed as a unique 'learning ecosystem,' providing space for instruction, student-faculty interaction and social spaces, areas for creative thinking, and inclusion of diverse study spaces. The development of the fourth floor will allow the University to keep up with the steady increase in the number of students and to continue to provide a world-class learning experience.

The floor will house multi-configurational classrooms of varying sizes designed to allow for multiple layouts as per the pedagogical needs of the instructor and facilitate team work, student interaction and group dialogue. The Makerspace will allow for the integration of design into the academic experience.

A large section of the fourth floor is an open roof top and is ideal for the development of social spaces, complete with a terrace and seating and an open air amphitheater. The use of outdoor spaces enriches the student interaction spaces on campus. The amphitheater is a distinctive space open to the sky, providing the campus community the opportunity to host evening performances, academic lectures, and town halls.

Endowment value:
USD 6,000,000

Library

The Habib University Library serves as a comprehensive interdisciplinary learning space. It serves to preserve knowledge, fosters research and inquiry and enhances collaborative learning.

The Library which caters to students, faculty, researchers and staff covers two floors with a covered areas of 23,000 square feet and has seating capacity of over 250 and provides access to more than 6700 journals, 14,000 print volumes, 290,000 e-books and 11 online databases.

The Writing Center and the Educational Help, Services and Academic Support Center provide students assistance in their learning needs, while the Maker Space is a specifically designed to foster creativity, while the Dawood Habib Yohsin Hall offers ample space for quiet study and reflection.

Endowment value:

USD 7,500,000

The Library provides a repository of knowledge for students to seek out knowledge and learn collaboratively.

The ground floor of the Library is a space for informal discussion among students.

Intellectual Leadership

Your intellectual investment multiplies by:

- enabling the University to attract and recruit world-class scholars is by far the most powerful way to make an impact.
- allowing more than teaching; Habib University's faculty is continuously sharing their knowledge in publications and conferences.
- investing in pedagogical innovations that enable faculty and students to be life-long learners.

Faculty Chair

Support the recruiting and retaining of academic scholars and intellectual leaders into the community

Endowed Professorship:

USD 2,000,000

Endowed Associate Professorship:

USD 1,250,000

Endowed Assistant Professorship:

USD 1,000,000

Research Support

Support faculty research enterprises and aid them in maintaining a world-class teaching environment

Professorship (3 years):

USD 600,000

Associate Professorship (3 years):

USD 400,000

Assistant Professorship (3 years):

USD 300,000

Community Spaces

Central Street

A pathway through the campus connecting formal learning spaces and community areas

Endowment value:

USD 3,000,000

Amphitheater

Providing a lively environment for the performing arts and large social events

Endowment value:

USD 2,000,000

Swimming Pool

Offering respite from Karachi's long summer months, the community exercises at leisure to keep mind and body active

Endowment value:

USD 2,000,000

Western Street

Connecting science labs with classrooms, Western Street also catches Karachi's westerly winds

Endowment value:

USD 1,500,000

Eastern Street

Between faculty pods and event spaces, with a quaint coffee shop inviting informal conversations

Endowment value:

USD 1,500,000

Student Center

Offering a range of services and providing the first area of contact for applicants, students, and parents

Endowment value:

USD 1,000,000

Student Lounge

Providing space for entertainment and recreation at Habib University's commuting campus

Endowment value:

USD 750,000

Gymnasium

Two fully-equipped gyms, one dedicated to women, with professional instructors and modern equipment

Endowment value:

USD 750,000

Earth Courtyard

Built in the architectural tradition of South Asia, serves as seating for outdoor instruction or a break from the rigours of study

Endowment value:

USD 600,000

Urban Forest

Ameliorating Karachi's lack of greenery, this campus space is surprisingly cool and lush

Endowment value:

USD 600,000

Baithak Terrace

Meaning 'sitting area', this popular terrace is ideal for students to relax

Endowment value:

USD 600,000

Mehfil Terrace

The local term for a gathering and discussion space refers to the campus' beautiful roof-top terrace

Endowment value:

USD 600,000

Water Walkway

This space is reflective of the energy of students moving to and fro across campus

Endowment value:

USD 500,000

Air Courtyard

An open seating space, enlivened by furniture composed of light steel frames that let the breeze through

Endowment value:

USD 400,000

Fire Courtyard

Composed of igneous rocks on gravel and flickering light, this provides a silent, reflective space

Endowment value:

USD 400,000

Meditation Area

Where students rest and rejuvenate between green trees at the quiet side of campus

Endowment value:

USD 400,000

Medical Facility

The University is prepared for emergency situations and provides counseling support as well

Endowment value:

USD 300,000

Tennis Court

A very popular place on campus, where all community members gather to cultivate their physical wellbeing

Endowment value:

USD 200,000

Sharing ideas is central to the Habib University experience

Collaborative Growth

**You can strengthen
collaborations for:**

- ideas to flourish in local and global conversations.
- increase the potential for engaging in ever more ways to inspire a global community of learning.
- expanding the programming offered by individual faculty and the institutional community.
- positioning Pakistani academia in today's knowledge economy.

Student Study Abroad

Selected by Habib University, students get to spend the summer at partner universities in the USA for transferable credit

Contribution per student:

USD 15,000

Public Lecture Series

Habib University has transformed the public space in Karachi by regularly hosting talks, seminars, and conferences with leading national and international personalities

Fund contribution:

USD 10,000

Get Involved

You can become involved by supporting Habib University as it continues to bring about a transformative change to the higher education landscape in Pakistan.

Please do take a few moments to go through and select your choice of contribution by filling out the attached pledge card. Gifts can be made on an individual basis or through collaboration of members of your community.
